Graduation Ceremony

The CEMS MIM 2007 Graduation Ceremony will be the 17th in CEMS history. It will take place at the East End Studios, in via Mecenate 84/10, Milan. The Studios are located 7 km from Bocconi and can be reached by the guests by taxi (20 minutes), public transportation (40 minutes) or private car (easy park). Graduands will have a special shuttle bus service. The location is composed by different areas where the various events will take place.

Entrance Due to the exceptionally large number of participants to the events, your collaboration and understanding are essential. Admission into the Studios is strictly by invitation card and no exceptions will be made. Make sure that you and your guests will bring the cards with you.

Graduands According to your profile, you will receive the cards for the Graduation Ceremony, the Gala Dinner, the Students Buffet Dinner, the Alumni Association Graduation Cocktail and the Closing Party both **for you and for your guest** in the welcome pack. Please remember to hand over the relevant invitation cards to your guest, since they will not be allowed to enter without them.

14.20 - 15.15 Graduands **only** will have a special shuttle bus service. Every 15 minutes starting from 2.20 pm two buses will leave from piazza Sraffa 11 (location of the Career Forum), transporting the students of pre-determined schools (the list will be transmitted to graduands and published on the CEMS Annual Event website as soon as the final list of graduands will be finalized). **It is absolutely essential that all the graduands take the bus since briefing will start during the journey.**

15.00 - 16.00 Registration, gowning and second briefing session
Students will arrive at the location, leave their coats, take their gowns and seat for the briefing session. The briefing session provides each student important seating, line-up and stage movement directions. Please consider that **attendance is mandatory**. Afterwards students can move and have photos with family and friends.

16.30 Preparation for the ceremony
All the graduands will go to the first floor of the venue in order to line up in alphabetical order and be ready to start the Graduation Ceremony smoothly and on time.

17.00 Ceremony commences
The commencement of the Ceremony cannot be delayed in any case. Graduands without the gown or latecomers will not be allowed to join the Graduate Procession nor to receive the diploma during the ceremony. After the speeches, graduands of each School will be called in alphabetical order - in group of 5 - on the stage.

19.00 Ceremony ends
When the Ceremony ends, graduated students and CEMS Alumni **only** will be asked to move to the Alumni Association Graduation Cocktail. Before the gala dinner graduates return the gown to the ushers in the room.

Guests Please note that for security reasons, guests without invitation will not be admitted. Be sure to have the pass for each event.

16.00 Recommended **arrival** and registration. Photos with graduands and gowns.

16.30 Hostess will direct guests to their seats. Please consider that some spaces are reserved for the graduands.

17.00 Ceremony commences. It should last about two hours. However, given the exceptionally large number of graduands participating in the ceremony, the length of the ceremony may vary.

19.00 Cocktail **reserved** for Alumni and graduates, where guests will **not** be permitted to enter.

19.15 Light refreshments at the Galleria, before the Gala Dinner, for the guests.

20.00 Gala Dinner.

Photos For the safety of all participants, close-up picture taking and video recording are restricted. Really "close-up" proximity to the stage is not available, and all guests are required to follow instructions given by the facility ushers and authorized Bocconi personnel. Guests are requested to refrain from standing in the aisles as they may block the flow of the graduands towards the stage. Official photographers will take pictures during the Ceremony. Pictures will be available afterwards on the website.
