

IELTS Lab (C1) (2ed)

Lecturer: Arianna Jacobs

Language

English

Course description and objectives

IELTS Lab (C1) provides a series of workshops aimed at preparing students for the Academic IELTS test. Students will be provided with practice and tips to help them achieve a Band 7 or above in each part (Listening, Speaking, Reading and Writing).

PLEASE NOTE: *this is an exam preparation course NOT a language improvement course. If you wish to improve your general grammar, vocabulary and level of English please follow the curricular English courses.*

Audience

The course is open to students enrolled in Bocconi degree programs (Bachelor, Master of Science, Integrated Master of Arts in law), University Master students and PhDs.

Prerequisites

This course is not designed to improve your level of English but to maximise your IELTS test-taking potential. For this reason, in order to benefit from this course, students are advised to have a minimum of a high B2 level of English.

Guidelines

Registration:

You can sign up for the course only through the yoU@B student Diary, in the "sign-up for various activities" box (please note: this box appears only when registrations open. It will not be visible before then).

Syllabus of the course

The workshops will all focus on providing targeted skills practice on:

- **Speaking:** introduction, long turn, and discussion - with a focus on fluency and spontaneity, avoiding repetition and providing accurate responses.
- **Writing:**
 - Task 1: Accurately describing charts, graphs, processes
 - Task 2: (Essay writing) Opinion, discussion, problem-solution, advantages/disadvantages
- **Listening:** conversations, monologues etc
 - Focus on paraphrasing and prediction skills.
 - Strategies for note-taking, identifying distractors.
- **Reading:** Skimming, scanning, and detailed reading techniques

As well as this, students will:

- gain test awareness: become familiar with the format and learn strategies on how to best approach the test.
- learn skills: how to approach each part of the test and each question type
- get practical experience and advice: through test practice and understanding of the band descriptors

Required bibliography

- Materials will be provided by the professor
- *IELTS 16 Academic Student's Book with answers*, Cambridge University Press, 2021

Suggested bibliography

- Aish F., Tomlinson J., Bell J., *Expert IELTS 7.5*, Pearson, 2017. *This book can be used to provide extra, out-of-class practice for preparation of the test. It also provides topic-based vocabulary and grammar focus for weaker students*

Available seats

This activity is limited to **110** participants. Registrations cannot be carried out once this number has been reached or after closing of the registration period. Please remember that you can unsubscribe from Language Center courses only before the registration deadline.
