iep@unibocconi.it

Migration flows are transforming our societies and their balance. At the center of the debate, the Mediterranean stands as a crossroads of cultures and mobility. An opportunity to reflect together on the challenges and opportunities of a phenomenon that defines our time.

Speakers

Francesco Billari

Rector and Professor of Demography, Bocconi University

François Héran

Emeritus Professor, Collège de France

Camille Schmoll

French geographer, member of the UMR Géographie-cités and of the Institut Convergences Migrations (ICM), and Director of Studies at the École des hautes études en sciences sociales (EHESS)

Moderator

Seyda Canepa senior international correspondent, NTV
