COMPETITION FOR THE CONFERRAL OF 1 COLLABORATION CONTRACT AT THE GREEN RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY ITALIAN MINISTRY OF ENVIRONMENT

Article. 1

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 1 Collaboration Contract with the following characteristics:

Duration: 9 months

Research Centre: GREEN

Financed by: Italian Ministry of Environment

Scientific Coordinator: Prof. Edoardo Croci

Research Project: NP_2.20 - 2.5 Agende urbane e metropolitane per lo sviluppo sostenibile (CUP J52F20001010001); *Urban and metropolitan agendas for sustainable development*
The project aims to support the Italian Ministry of Environment in the development of a National Urban Agenda for sustainable development based on the Sustainable Development Goals defined by the UN 2030 Agenda. Tools and guidelines will be developed to facilitate cities in the planning, monitoring, and reporting of the local agendas. The project approach provides for the involvement of relevant stakeholders and the support and training activities for Local Authorities.

Job description:

The researcher, working at the GREEN-Bocconi research centre, will contribute to the following activities:

- Definition of the objectives of the Urban Agenda for Local Authorities in line with the 2030 Agenda and the national sustainable development strategy through a review of the state of the art of national and international initiatives and through the involvement of stakeholders;
- Definition of indicators for measuring urban performance and through the involvement of stakeholders;
- Definition of criteria for the identification of specific objectives and indicators for the Urban Agenda by the individual local administration;
- Elaboration of guidelines for the implementation of an urban and territorial agenda oriented to the SDGs;
- Definition of preparatory workshops for the development of the different project phases;
- Data collection and analysis;
- Communication and dissemination activities related to the project;
- Analysis of the project results in a scientific publication;

- Connection with other national and international projects developed by the GREEN research center on urban sustainability.

Article. 2
Admission Requirements

In order to participate in the competition, the candidate must have the following requirements:

- Master's degree in economics or management engineering or territorial planning, with skills in quantitative and spatial analysis.
- Work or study experience in projects focused on sustainable urban development will be considered a preferential title.

Relatives (up to the fourth degree of kinship) of professors in the University Council, the University Rector, or the Director General may not apply.

Candidates must be in possession of the above-mentioned requirements by the deadline for the presentation of applications as indicated in this advertisement.

Candidates may obtain conditional acceptance. At any time, the administration can arrange, within reason, exclusion from the selection procedure due to the lack of the necessary requirements.

Article. 3
Applications

The attached Application Form, addressed to the Rector of Bocconi University, must be sent to the “Faculty and Research Division” office at “recruiting_ricerca@unibocconi.it”. The deadline for submitting applications is **5 p.m. on 19/10/2020**.

Applications must clearly indicate:

- Name and surname
- date and place of birth
- fiscal code (codice fiscale)
- citizenship
- residence
- contact address
- qualifications (degree)

The application must include the following documents, which must be attached and sent via e-mail:

- degree certificate, in pdf format;
- professional CV, in pdf format.

Article. 4
Evaluation Committee

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Coordinator
- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Coordinator

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- Minimum 30 – maximum 40 points for the evaluation of the CV, academic qualifications and scientific publications;
- Minimum 60 – maximum 70 points for the evaluation of the interview, that will mostly take place with the Scientific Coordinator of the project.

The minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises. Candidates will be informed of the date of the interview (via email) with adequate advance.

The Committee will evaluate the candidates and will rank these based on the scores obtained.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5 Rights and Duties of the Contract Worker

The contract will have a duration of 9 months and is likely to run from November 2020.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Edoardo Croci, Scientific Coordinator of the project who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator. Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6
Financial Compensation

The amount of the contract is € 13.500 gross.

The University will provide accident and liability insurance cover. Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7
Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8
Treatment of Personal Data

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
Advertising

The advertisement of the above-mentioned position is published on the Bocconi University website. Bocconi University may also publish this advertisement on the main international job opening websites for this sector. A copy of this advertisement is available from the Faculty and Research Division.

This advertisement is also published in Italian. In case of discrepancies between the Italian and English texts, the Italian version will be considered definitive.
