top ranking candidates “with confirmed fellowship”	by 30 <sup>th</sup> March 2026
replacement candidates “with fellowship”	By 30 <sup>th</sup> March, if notification by 23 <sup>rd</sup> March Within 7 days, if notification after 23 <sup>rd</sup> March

Candidates that decide to forfeit are kindly asked to access the online procedure (button: RESULT) as soon as possible and ask to be removed from the ranking in order to allow replacements.

**Please note that:**

§ Top ranking candidates admitted with fellowship receive just one notification (admission result + deadline for enrollment).

They must enroll by 30th March 2026.

If they do not enroll by that date, they will automatically be considered to have declined the offer.

Candidates admitted with fellowship who intend to decline the offer should decline it well before the 30th March 2026 to allow replacement applicants to receive their offer as soon as possible.

§ all the other candidates eligible for enrollment receive at least two notifications: in the first one, they are notified about admission results; in the last one, they are notified about their final status and deadline for enrollment. In between, they are notified about change(s) of status (if any).

Candidates who intend to decline the offer should decline as soon as possible to allow replacement applicants to receive their offer.

If students enrolled with fellowship withdraw after the end of enrollments (3rd July 2026), a further round of replacements will take place for the benefit of students enrolled with payment of tuition fees, and in any case no later than 1st September 2026.

Replacement of candidates is not allowed after the beginning of the first year of the program (1st September 2026).

Enrollment takes place online ([ENROLLMENT Section](#)), using the ID and password provided at registration.

It is required to upload:

- 1) the [enrollment form](#), filled out and signed (the form can be downloaded from the online procedure);
- 2) research budget form

Certification attesting awarding of the degree (name of degree program, level, University, graduation date, final grade - if any) is required to definitively finalize enrollment.

Certification can be:

- delivered to PhD School Office (by 10<sup>th</sup> December 2026).

In particular:

- + Italian degrees: certification issued by the awarding Italian University or self-certification;
- + non-Italian degrees:
  - EU countries and UK: certification in English issued by the awarding University;
  - non-EU countries: 1) certification in English issued by the awarding University; 2) diploma supplement or CIMEA certificate of comparability or other certification of value issued by ENIC\_NARIC centres or “dichiarazione di valore”<sup>1</sup> issued by the Italian Embassy or Consulate of the country where the degree was awarded.
