10	3450023	Computer Science	63	Waiting list
11	3423837	Computer Science	60	Waiting list

Candidates in the waiting list are offered a place if and when higher ranked candidates have declined the offer and on condition that there are still available places.

Enrollment deadlines are as follows:

top ranking candidates “with confirmed fellowship”	by 22 <sup>nd</sup> June 2026
replacement candidates “with fellowship”	Within 7 days from notification and, in any case no later than July 3 <sup>rd</sup>

Candidates that decide to forfeit are kindly asked to access the online procedure (button: RESULT) as soon as possible and ask to be removed from the ranking in order to allow replacements.

**Please note that:**

§ Top ranking candidates admitted with fellowship receive just one notification (admission result + deadline for enrollment).

They must enroll by 22<sup>nd</sup> June 2026.

If they do not enroll by that date, they will automatically be considered to have declined the offer.

Candidates admitted with fellowship who intend to decline the offer should decline it well before the 22<sup>nd</sup> June 2026 to allow replacement applicants to receive their offer as soon as possible.

§ all the other candidates eligible for enrollment receive at least two notifications: in the first one, they are notified about admission results; in the last one, they are notified about their final status and deadline for enrollment. In between, they are notified about change(s) of status (if any).

Candidates who intend to decline the offer should decline as soon as possible to allow replacement applicants to receive their offer.

If students enrolled with fellowship withdraw after the end of enrollments (3<sup>rd</sup> July 2026), a further round of replacements will take place for the benefit of students enrolled with payment of tuition fees, and in any case no later than 1<sup>st</sup> September 2026.

Replacement of candidates is not allowed after the beginning of the first year of the program (1<sup>st</sup> September 2026).

Enrollment takes place online (ENROLLMENT Section), using the ID and password provided at registration.

It is required to upload:

- 1) the enrollment form, filled out and signed (the form can be downloaded from the online procedure);
- 2) research budget form

Certification attesting awarding of the degree (name of degree program, level, University, graduation date, final grade - if any) is required to definitively finalize enrollment.

Certification can be:

- uploaded when enrolling via online procedure
- delivered to PhD School Office (by 10<sup>th</sup> December 2026).

In particular:

- + Italian degrees: certification issued by the awarding Italian University or self-certification;
- + non-Italian degrees:
  - EU countries and UK: certification in English issued by the awarding University;
  - non-EU countries: 1) certification in English issued by the awarding University; 2) diploma supplement or [CIMEA](#) certificate of comparability or other certification of value issued by ENIC\_NARIC centres or “dichiarazione di valore”<sup>1</sup> issued by the Italian Embassy or Consulate of the country where the degree was awarded.

Please note that Consulates are competent to give full assistance on this matter.

Fellowships based on merit and financial conditions are managed by ISU Bocconi, as per DPCM (Italian Prime Minister Decree) 9<sup>th</sup> April 2001, without prejudice to further modifications. Applications shall be sent to ISU Bocconi following the 2026-2027 public competition instructions, which will be published at: [www.unibocconi.eu/isu](http://www.unibocconi.eu/isu)
