**COMPETITION FOR THE CONFERRAL OF 1 COLLABORATION CONTRACT AT THE DONDENA RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY FONDAZIONE CARIPLO AND NORWEGIAN RESEARCH COUNCIL**

*Article. 1*

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 1 Collaboration Contract with the following characteristics:

Duration: 23 months

Research Centre: DONDENA

Financed by: Fondazione Cariplo, Norwegian Research Council

**Research Projects:**

Project n. 1:

"Pension reforms and spatial-temporal patterns in healthy ageing in Lombardy: quasi-natural experimental analysis of linked health and pension data in comparative Italian and European perspective", funded by Fondazione Cariplo within the Call "ricerca sociale sull'invecchiamento: persone, luoghi e relazioni" (Rif. 2018- 0863).

Scientific coordinator: Prof. David Stuckler

Project n. 2

"CHAIN - Better Health and Quality of Life", finanziato da Norwegian Research Council.

Scientific coordinator: Alexander E. Kentikelenis

**Job description:**

Project n. 1:

Social scientist, demographer or epidemiologist to evaluate health inequalities in older persons and the role of pension systems using SHARE longitudinal datasets for SO n. 7. The successful candidate will identify and implement a series of quasi-natural experimental analyses of pension reforms in EU countries. We aim to recruit a full time Postdoc to carry out data management of large databases, quantitative analysis and managing of statistical programming under supervision. The ideal candidate will be close to successful completion of a PhD or recently completed.

Project n. 2:

The second part of this contract (9 months) will expand on the research design and findings of the first part (described above). That is, the appointed Postdoctoral Fellow

will further evaluate the determinants of health inequalities, and the role of policy interventions in shaping them. Job tasks will include managing large data sets and quantitative analysis using advanced statistical techniques.

*Article. 2*  
*Admission Requirements*

In order to participate in the competition, the candidate must have the following requirements:

- PhD in Sociology, Public Health, Demography, Epidemiology, Economics, or related disciplines (or close to completing a PhD in these fields);

**Article.5**  
**Rights and Duties of the Contract Worker**

The contract will have a duration of 23 months and is likely to run from April 2020.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of the above supervisors.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

**Article.6**  
**Financial Compensation**

The amount of the contract is € 64,567 gross.

The University will provide accident and liability insurance cover. Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

**Article.7**  
**Causes of deferral or suspension of the contract**

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

**Article. 8**  
**Treatment of Personal Data**

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

**Article. 9**
