## EXCHANGE PROGRAM 2023-24

Law School

Università  
Bocconi  
MILANO

1. Before applying to the Exchange program, you are required to read carefully the following documents:

- ✓ **Bocconi Students TRAVEL RISK POLICY**  
Available on yoU@B – International SOS
- ✓ **Guide to the Exchange Program**  
Available on our [website](#)

More specifically, among others, we warmly invite you to take note of the following:

- ✓ Preparing for Travel (par.2 - Bocconi Students TRAVEL RISK POLICY)
- ✓ Accommodation information (par.1 - Guide to the Exchange Program)
- ✓ Recognition of exams taken abroad (par. 6 - Guide to the Exchange Program)

2. Please also note that:

- ✓ This brochure has been released in **February 2023** and reflects the current situation to date. Slots available and teaching methods (physical, blended, online) at Partner Universities **may be subject to change**.
- ✓ In light of the general uncertainty and fluidity of the global situation, whether the overall conditions would not safeguard the wellbeing and security of students Bocconi University **does not guarantee** that students will be able to take part in the Exchange semester. Moreover, travel and medical risks can rapidly change and lead Bocconi University and host Institutions or Countries to increase travel and medical restrictions. Therefore, the Exchange Program can be cancelled.
- ✓ For some destinations listed in this document there is a note regarding possible online options. This note – purely indicative and **subject to change** – is based on the feedback received by the Partner Universities on the possibility to activate a number of online courses in case the physical exchange will be cancelled, or not be possible, due to the global situation.
- ✓ Due to the pandemic restrictions, there could be more **constraints** in terms of student housing and capacity in courses offered by the Partner Universities.
- ✓ Concerning slots available, requirements and restrictions, only the information contained in this list will be applied for the **current selection** of the Exchange Program.
- ✓ International students or students with dual citizenship cannot apply for some Schools in the countries for which they hold current citizenship. Carefully check the note section for each destination. In case of doubt please contact the Study Abroad office through BinTouch on the yoU@B Diary.

✓ Reserved slots and slots with priority:

- Slots **reserved to 4th year** students are open to applicants currently enrolled in their 3rd year only.
- Slots **reserved to 5th year** students are open to applicants currently enrolled in their 4th year only.
- Destinations with **a few** slots open to students going on exchange in the 4th year and **a few** slots open to students going on exchange in the 5th year: in case not all the slots open to students of a specific year are filled in, they will be **available** to students of the other year.
- Destinations **with priority to the 4th year** are open to students going on exchange both in the 4th year and 5th year; applicants who will go on exchange during their 4th year will have priority in the final ranking.
- Destinations **with priority to the 5th year** are open to students going on exchange both in the 4th year and 5th year; applicants who will go on exchange during their 5th year will have priority in the final ranking.
