

Curriculum Vitae – Fall 2020

Family name: Ceriani
 Given name: Paolo Maria
 Gender: Male
 Date of birth: 11/12/1996
 Citizenship: Italian
 email address: paolo.ceriani@phd.unibocconi.it

Qualifications

2018-2020: *Master of Science in Data Science and Business Analytics, cum laude*
 Bocconi University, Italy
 Thesis: “Hierarchical Processes, methodology and computation”
 Supervisors: Igor Pruenster, Giacomo Zanella

2015-2018: *Laurea (B.Sc.) in Matematica, cum laude*
 Università degli studi di Milano
 Thesis: “Armonic functions and Markov chains”

2010-2015: *Diploma liceo scientifico, cum laude*
 Liceo scientifico G.B. Grassi Saronno

Awards and Scholarships

2019-2023: *PhD Scholarship, Università Commerciale Luigi Bocconi, Milano, Italy, 2020*
 2015: *City of Saronno Rotary club: “miglior diplomato” scholarship*

Research Interests

Bayesian non parametrics, computational statistics (monte carlo markov chain methods for sampling)

Studies abroad

January 2018 – June 2018 *Erasmus student at “Universidad complutense de Madrid”*

Work Experience

June 2019 – September 2020 *Business analyst intern at “Accenture Italy”*
 December 2018 – June 2019 *Data science intern at “SmartFab Milano”*

Language Skills

Italian (mother tongue)
English: 106/120 Toefl
Spanish: B1

IT Skills

Environments: Microsoft Windows, MacOS, Linux distribution
Programming language: C, C++, Java, Python, Julia, R, Matlab, Latex
Softwares: Matlab, Office package

Other Activities

Swimming, Skiing, Alpinism, windsurfing, politics and volunteering
