

Diploma Requirements for International Students

If you're currently studying outside Italy or will be obtaining an international qualification from a recognized international school in Italy, you can find below the diploma requirements for enrollment, listed in alphabetical order.

All admitted students will be required to complete a dedicated task on the Apply2B portal and submit the requested documents to finalize their enrollment.

If your specific diploma type is not included in the list below, please contact our Admissions Office at **admissionsoffice@unibocconi.it** for further information and guidance.

Documents that are already issued in **English, French, Spanish** and **German** do not require a translation. Documents in all other languages must be provided both in **original language and** with a **translation in English or Italian**.
