COMPETITION FOR THE CONFERRAL OF 1 COLLABORATION CONTRACT AT THE DONDENA RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY THE EUROPEAN RESEARCH COUNCIL (ERC)

Article. 1

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 1 collaboration contract with the following characteristics:

Duration: 6 months

Research Centre: DONDENA

Financed by: European Research Council (ERC)

Scientific Coordinator: Prof. Arnstein Aassve

Research Project:

IFAMID project presents a new framework for the analysis of family demography. Drawing on recent theoretical developments, and exploiting cognitive and methodological insights from a wide range of disciplines, most importantly from sociology and political science, it is argued that trends in family formation (and its dynamics) not only derive from broad global forces, but also from institutional "quality" and cultural traits and, critically important, from the interaction between the two.

Job description:

As part of a larger research team, the candidate will contribute to data analysis of the EU-SILC, with particular attention to analyzing the relationship between social class and demographic outcomes. The candidate is also expected to work with other international surveys, perform data management, and econometric analysis of those data sources. The candidate will also be expected to help out in implementing international online surveys. The candidate is furthermore, expected to contribute to the intellectual development of the IFAMID project, and write research papers and policy briefs, and take part in international conferences.

Admission Requirements

In order to participate in the competition, the candidate must have the following requirements:

- MSc Degree in Sociology, Economics, Demography, or a related field;

- Strong quantitative skills and expert knowledge of either STATA or R;
- Mastery of econometric techniques;
- Demonstrated abilities in handling large and complex data sets. We are particularly interested to hear from candidates with experience from the use of the EU-SILC;
- Track record of working in research teams;
- Experience in demographic analysis, especially family dynamics and its relationship to issues such as poverty, education and social class.

Relatives (up to the fourth degree of kinship) of professors in the University Council, the University Rector, or the Director General may not apply.

Candidates must be in possession of the above-mentioned requirements by the deadline for the presentation of applications as indicated in this advertisement. Candidates may obtain conditional acceptance. At any time, the administration can arrange, within reason, exclusion from the selection procedure due to the lack of the necessary requirements.

Article. 3 ***Applications***

The attached Application Form, addressed to the Rector of Bocconi University, must be sent to the “Faculty and Research Division” office at ***recruiting_ricerca@unibocconi.it***. The deadline for submitting applications is **5 p.m.** on **26/05/2020**.

Applications must clearly indicate:

Article. 4 ***Evaluation Committee***

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Coordinator
- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Coordinator

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- Minimum 30 – maximum 40 points for the evaluation of the CV, academic qualifications and scientific publications;
- Minimum 60 – maximum 70 points for the evaluation of the interview.

Based on the selected range for the evaluation of the CV, academic qualifications and scientific publications, the Evaluation Committee may indicate, in the evaluation minute, a minimum threshold for being admitted to the interview stage.

The total (phase 1 and phase 2) minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises.

The Committee will evaluate the candidates and will rank these based on the scores obtained. The list will be valid until the end of the project, should the Scientific Coordinator wish to use the same list to recruit additional researchers.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5 Rights and Duties of the Contract Worker

The contract will have a duration of 6 months and is likely to run from June 2020, compatibly with the restrictions imposed by the current international health emergency.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Aassve, Scientific Coordinator of the project who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6
Financial Compensation

The amount of the contract will be **€12.500 gross**.

Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7
Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8
Treatment of Personal Data

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
