- it can only be taken within the validity terms of the written test (see section Written Exam, Validity)
- it involves the preparation of the content and any materials as indicated in the program (see section **Oral exam**, **Test**)
- once the oral exam is passed, the oral mark is added to the written one to define the final grade (see section **Oral Exam**, **Final grade**)

The other students must follow the speaker's presentation 2) Discussion: the candidates, in groups of 2 or 3, are asked to discuss a business-related topic using the presentation they have selected and prepared before the session. Candidates will be assessed on their presentation and performance, interacting with each other and the examiner
