

Reminder tuition and fees a.y. 2026-27

The amounts of academic tuition and fees (for students enrolled in Bachelor and Law program) are divided into installments, the deadlines of which are shown in the table below and in the section "**Financial situation - Payments**" inside the You@B agenda.

Enrollment	Advance	Adjustment	2nd installment	3rd installment
1st year	Linked to enrollment session	15/10/2026	29/01/2027	30/04/2027

It is specified that students who are awarded with a financial aid that grants **total or partial exemption** from tuition and fees, will be exempt from paying all or some installments.

Flywire tool will process the transaction within few minutes, with a significant reduction of registration times at Punto Blu. For domestic payments instead, please use PagoPa.

Please **print and keep** the following memo for your own use and visit our [homepage](#) in order to check our official regulation.
