The meeting concludes at 10.30 am.

The Committee confirms that the interview of the candidate [REDACTED] took place on 02/19/2021 at 13.30 pm via conference call.

The Commission asked the candidate a set of questions relating to her CV and to the project she presented.

At the end of the interview, the Committee assigned her a score of 40 points.

The Committee confirms that the interview of the candidate Marco Vicini took place on 02/22/2021 at 10.30 am via conference call.

The Commission asked the candidate a set of questions relating to his CV and to the project he presented.

At the end of the interview, the Committee assigned him/her a score of 45 points.

The Committee agrees that the evaluation of each interviewed candidate is as follows:

[REDACTED] – During the interview, the candidate presented her master dissertation, and the committee asked questions about her analytical skills and her command of statistical tools, such as STATA. The Committee judged as very positive the academic experience of the candidate, as well as her communication skills. Her analytical skills are, however, not yet fully developed, especially to carry out intensive empirical analysis, as in the framework of this research project.

VICINI Marco – During the interview, the candidate presented his master dissertation, and the committee asked questions about his analytical skills and his command of statistical tools, such as STATA. The Committee judged as very positive the academic experience of the candidate, as well as his internship experience in the academic field, which helped him develop excellent skills in dataset management. His master dissertation is furthermore an evidence that the candidate has a good command of statistical software to carry out empirical analyses.

The following is a list of the candidates ranked in decreasing order. The Commission declares Dr Marco Vicini the winner of the competition. Candidates who achieved a score of 60 or more are as follows:
