COMPETITION FOR THE CONFERRAL OF 2 COLLABORATION CONTRACTS AT THE IGIER RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY ERC

Article. 1

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 2 collaboration contracts with the following characteristics:

Duration: 3 months

Research Centre: IGIER

Financed by: European Research Council (ERC)

Scientific Coordinator: Prof. Thomas Le Barbanchon

Research Project: ESEARCH - "Direct Empirical Evidence on Labor Market Search Theories"
The project proposes to provide new empirical evidence on the search strategies of both job seekers and of recruiters in the labor market. We expect our direct empirical evidence on search strategies to trigger new developments in search theories. Our results will guide policy-makers who design job boards and search subsidies to both recruiters and job seekers. We hope that the social impact of our research will be to reduce frictional unemployment and to increase the productivity of workers through a reduction of mismatch in the labor market.

Job description:

The RA will contribute to one or two research subprojects in applied economics, mostly in labor economics. Tasks will cover fieldwork (RCTs monitoring, survey management), data cleaning (especially web data), estimation of micro-econometrics models, and/or training of machine-learning algorithm. The position may require short travels in Europe.

Admission Requirements

In order to participate in the competition, the candidate must have the following requirements:

- Qualification: Bachelor degree in Economics (essential requirement); having obtained or be enrolled at a Master of Science course will be considered as an advantage;
- Well trained in econometric methods and have an outstanding academic background;
- Advanced knowledge of Stata, R or python is required;
- Knowledge of spoken and written English.

Relatives (up to the fourth degree of kinship) of professors in the University Council, the University Rector, or the Director General may not apply.

Candidates must be in possession of the above-mentioned requirements by the deadline for the presentation of applications as indicated in this advertisement.

Candidates may obtain conditional acceptance. At any time, the administration can arrange, within reason, exclusion from the selection procedure due to the lack of the necessary requirements.

Article. 3 Applications

The attached Application Form, addressed to the Rector of Bocconi University, must be sent to the "Faculty and Research Division" office at recruiting_ricerca@unibocconi.it. The deadline for submitting applications is **5 pm on 11/01/2019**.

Applications must clearly indicate:

- Name and surname
- date and place of birth
- fiscal code (codice fiscale)
- citizenship
- residence
- contact address
- qualifications (degree)

The application must include the following documents, which must be attached and sent via e-mail:

- degree certificate(s), in pdf format;
- professional CV, in pdf format.

Article. 4 Evaluation Committee

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Coordinator
- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Coordinator

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- Minimum 30 – maximum 40 points for the evaluation of the CV, academic qualifications and scientific publications;
- Minimum 60 – maximum 70 points for the evaluation of the interview.

Based on the selected range for the evaluation of the CV, academic qualifications and scientific publications, the Evaluation Committee may indicate, in the evaluation minute, a minimum threshold for being admitted to the interview stage.

The total (phase 1 and phase 2) minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises.

The Committee will evaluate the candidates and will rank these based on the scores obtained. The list will be valid until the end of the project, should the Scientific Coordinator wish to use the same list to recruit additional researchers.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5
Rights and Duties of the Contract Worker

The contracts will have a duration of 3 months and are likely to run from 1 February 2019.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Thomas Le Barbanchon, Scientific Coordinator of the project who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6
Financial Compensation

The amount of the first contract is € 5.000 gross (estimated effort full-time); the amount of the second contract is € 3.500 gross (estimated effort full-time).

The contract will be subject to ordinary taxation or, when applicable, may benefit from the tax abatements foreseen by the "Brain gain" regulation according to Decree-Law 31 May 2010, n. 78, converted with amendments by Law 30 July 2010, n. 122, art. 44.

The University will provide accident and liability insurance cover. Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7

Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8

Treatment of Personal Data

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
