Bocconi University

The Department of Decision Sciences at Bocconi University, Milan (Italy), is seeking to fill positions at the **Associate** level in **Mathematical Economics**, broadly defined. Applicants should have an established track-record of publications in top international journals and evidence of leadership and recognition in the international academic community. The working language at Bocconi University is English, hence applicants should have a track-record of teaching in English.

Salaries, research accounts, and teaching loads are competitive with leading academic institutions abroad. Bocconi faculty is expected to teach in the undergraduate, masters, and PhD programs. Productivity and leadership in research and excellence in teaching are expected.

Statements of interest and CVs should be submitted via the on-line e-form with attachments which can be found at:

http://www.unibocconi.eu/recruitingsenior

Applications will be considered until **July 31st, 2015** and the selection process will go on until suitable candidates are found. Only selected candidates will be contacted for further steps.
