

Fee reductions

LLM EBSL 2024-2025

The LLM in European Business and Social Law (EBSL) makes available, based on merit criteria, up to 5 partial fee reductions for candidates with excellent academic and professional profiles.

1. Requisites

The fee reductions are reserved to excellent LLM applicants who satisfy the following conditions:

- to not receive any other scholarship or financial sponsorship to finance the LLM
- to possess all the requirements to apply to the LLM

Fee reductions are awarded on the basis of an overall merit assessment of the following elements included in the candidate's application to the program:

- earlier titles (degrees and grades)
- motivation letter
- CV

Fee reductions are reserved exclusively to candidates who have submitted their application accompanied by the required documentation within the deadlines, and who have been admitted to the LLM according to the general admission criteria. Mention of the reasons that lead the applicant to request a fee reduction can be made in the motivation letter.

2. Conditions

The beneficiaries of the reductions must guarantee regular attendance in accordance with the methods agreed with the Director and Coordinator of the LLM. The beneficiaries are required to exercise a student representative role within the cohort and to collaborate with the LLM staff as social media managers and in other academic events.

3. Incompatibility

The fee reductions cannot be combined with any scholarship, award, or other financing even if these are provided by other public or private bodies. To this end, the beneficiaries of the reductions will have to issue self-certification attesting the absence of such cumulation.

4. Timing and selection results

Shortlisted candidates will be invited to an online interview with the LLM Admissions Committee according to the following calendar:

- shortlisted candidates are invited by email to the online interview: **15/06/2024**
- online interviews' dates: **18/06/2024 and 19/06/2024**
- results are communicated by email to the interviewed candidates: **21/06/2024**
- enrollment and payment of the I fee installment: **by 28/06/2024, at 2 pm Italian time**

Based on exceptional merit, some very qualified candidates may receive a fee reduction proposal at the first round of applications.

The decisions on fee reductions are taken by the EBSL Admissions Committee and are unappealable.
