COMPETITION FOR THE CONFERRAL OF 1 COLLABORATION CONTRACT AT THE GREEN RESEARCH CENTRE OF UNIVERSITA' COMMERCIALE "LUIGI BOCCONI" OF MILAN, FINANCED BY THE EUROPEAN COMMISSION

Article. 1

The Università Commerciale "Luigi Bocconi" of Milan is launching a competition based on qualifications and tests for the conferral, by means of an appropriate contract, of 1 collaboration contract with the following characteristics:

Duration: 12 months

Research Centre: GREEN

Financed by: European Commission

Scientific Coordinator: Prof. Edoardo Croci

Research Project: "CoronaDX: Three Rapid Diagnostic tests (Point-of-Care) for Coronavirus, improving epidemic preparedness, public health and socio-economic benefits"

CORONADX is a Horizon 2020 project which intends to quantify the impact of the coronavirus throughout the world, providing new socio-economic insights into public behavior. It will inform policy-making and best practices in public health preparedness and response to outbreaks. Within the project, Bocconi University - GREEN will support Vita Salute - San Raffaele University in the economic analysis to quantify the effectiveness of COVID-19 epidemic control measures at the European and global level, also through specific country case-studies.

Job description:

The researcher, who will work for the GREEN research centre as junior researcher, will have the responsibility to contribute to the following activities:

- Literature review of the main studies evaluating the effectiveness of lockdown measures in different countries
- Identification and selection of suitable indicators to measure the effectiveness and impacts of COVID-19 epidemic control measures at global, European and national level
- Collection of economic, socio-demographic and environmental data from different sources to evaluate the impacts of measures by applying the selected indicators
- Comparative assessment of the effectiveness of the measures
- Communication and dissemination activities related to the project
- Analysis of the project results in a scientific publication.

Article. 4
Evaluation Committee

The Evaluation Committee is composed as follows:

- 1st member: Director of the Research Centre or a representative
- 2nd member: Scientific Coordinator

- 3rd member: a person jointly appointed by the Director of the Research Centre and the Scientific Coordinator

The selection will be carried out by means of an evaluation of qualifications and an interview.

The Committee can allocate a maximum of 100 points for each candidate:

- Maximum 40 points for the evaluation of the CV, academic qualifications and scientific publications;
- Maximum 60 points for the evaluation of the interview.

Based on the selected range for the evaluation of the CV, academic qualifications and scientific publications, the Evaluation Committee may indicate, in the evaluation minute, a minimum threshold for being admitted to the interview stage.

The total (phase 1 and phase 2) minimum score to be included in the ranking list is 60.

Candidates will be informed of the interview date via e-mail, with suitable advance notice. Interviews may be held via conference call, or face to face at the University premises.

The Committee will evaluate the candidates and will rank these based on the scores obtained.

Winning candidates will be notified in writing of the award decision. Candidates must sign the contract at the latest 15 days after receipt.

The contract is individual and indivisible.

Article.5 Rights and Duties of the Contract Worker

The contract will have a duration of 12 months and is likely to run from April 2021, compatibly with the restrictions imposed by the current international health emergency.

Conferral of the contract implies a commitment to undertake research and dissemination activities at the university or any other contractually agreed location.

The normal obligations of the Contract Worker include:

- Research activity in the context of the Research Project, under the supervision of Prof. Croci, Scientific Coordinator of the project who will assess the activity undertaken.

Activities undertaken outside of the scope of the contract, should not conflict with the contract with the University. The Director of the Centre will assess potential conflicts of this nature, following a consultation with the Scientific Coordinator.

Such circumstances will lead to the termination of the contract.

The conferral of the contract does not constitute an employment contract and does not confer any rights to teaching roles within the University.

Article.6
Financial Compensation

The contract amounts to €16,800 gross.

Payments will be normally made in monthly post-dated instalments, following the submission, by the deadline indicated by the Administration Department, of a payment note signed by the Scientific Coordinator who will verify the activity undertaken.

Article.7
Causes of deferral or suspension of the contract

If a candidate is on maternity leave, minimum payments will be made by INPS (national insurance) with a top-up payment made by Bocconi University up to the monthly amount of the contract.

Article. 8
Treatment of Personal Data

All personal data supplied to the Faculty and Research Division of Bocconi University will be used for the current evaluation procedure and for the conferral of a collaboration contract.

Article. 9
