

Bocconi University

The Department of Decision Sciences at Bocconi University, Milan (Italy), invites applications for a tenure-track faculty position at the Full Professor level in **Probability and Statistics**.

Applicants should demonstrate outstanding achievement in mathematical statistics and/or probability (areas of interest include Bayesian statistics), an established track-record of publications in top international journals and evidence of leadership and recognition in the international academic community. Candidates are as well expected to have excellence in teaching at undergraduate, graduate and PhD level.

The working language at Bocconi University is English; knowledge of the Italian language is not required.

Salaries, research accounts and teaching loads are competitive with leading academic institutions abroad.

Statements of interest and CVs should be submitted via the on-line e-form with attachments which can be found at

<http://www.unibocconi.eu/recruitingseior>

Applications will be considered **within 30 (thirty) days starting from the day after the date of publication of the notice in the Gazzetta Ufficiale**.

Only shortlisted candidates will be contacted for further steps.
