

THEMIS COURSES

2023-2024 - Fall Semester

THEMIS REQUIREMENTS

Themis students are required to take **at least 30 credits** worth of courses and pass at least 24 exam credits during the semester abroad. Courses must be selected from a narrow list of Themis accredited courses; Themis students are allowed to select one course (up to 6 credits) outside of the Themis list, as long as the course is open to incoming exchange students. Themis students who do not respect the Themis program study plan requirement will be required to change their study plan.

COURSE SELECTION

Course selection will run from August 24 to 29, 2023 and courses are assigned on a first-come-first-served basis. Classes will start on September 6, 2023.

Students will have the possibility to change their study plan in the period September 12-19, 2023 (upon courses availability).

After the deadline (September 19, 2023) changes (add/switch/drop) are no longer possible.

COURSE DESCRIPTION

The following list is likely to include most of the courses already offered during Fall 22 term.

Course content and class format are included in the course profiles available at this [link](#).

Beware: the content of the courses should all be updated to 2023-2024. If some contents have not been updated yet, please note that final updates and/or changes to the profile content (e.g. assessment methods, textbooks, etc.) will be available most likely at the end of July 2023. For this reason, you can take the current descriptions as a reference, considering that changes might occur.
